

HOBART glasswasher GP wins "Zloty Medal"

Offenburg – HOBART, the world market leader for commercial warewashing, recently was honoured with several prizes at the annual trade show "Polagra Gastro" in Posen (Poland). For its innovative glasswasher GP of the premium line PREMAX, the Offenburg-based company received the renowned award "Zloty Medal 2018", presented by the Polish Minister of Agriculture Jan Krzysztof Ardanowski.

When selecting the winners, the board not only looked out for economical and ecological advantages, but also for true user benefit. The glasswasher PREMAX GP by HOBART convinced with its premium user comfort, such as the TOP-DRY drying function. Thanks to this feature, users can safely dispense with manual polishing and drying while enjoying optimum wash results – even with delicate glasses. When it comes to economical use of the resources water, energy and detergents, the HOBART technology outperforms all comparable solutions. This is attributable to the SENSO-ACTIVE resource management. This machine feature permanently monitors the level of soil in the tank, adjusting the rinse water amount to the degree of soiling.

Furthermore, the superstars of the year received another award for innovative market solutions in the frame of the "Gallery of Innovation". Also two solutions by HOBART were distinguished with a prize: The PROFI FX undercounter dishwasher and the PREMAX GP glasswasher of generation 2018.
